

THE PERFECT VACATION ABODE

The Living Room is the Heart of a Home. It is the place where family and close ones gather, the habitat for the nurturing of relationships. All our suites come with a generous-sized Living Room.

The provision of a Large Balcony in most of our suites also enables our guests to appreciate the natural surrounds, especially the 280-million-year-old limestone outcrop and its natural pristine environment.

The unmatched accommodation and facilities, especially our ever-popular 5 Level Sea-Horse Shaped Swimming Pool, and excellent and healthy food from our Cuisines Restaurant, are why this Resorts Hotel has been awarded the **Global Winner for All-inclusive Family Resort Hotel Award**.
